about us...

OISHI - delicious!

Oishi is a Japanese based bakery whose goal is to shed more light upon traditional Japanese flavors in fun, new, and creative ways. We are a locally based business that just started in San Luis Obispo. The goal of this company is to create authentic goods that inspire people to learn more about other cultures and try new things in a way that isn't intimidating. The space is a place for people who desire to catch up with an old friend or there is a quiet study area for students trying to cram for midterms. Currently, we are open 6 days a week and in the future we hope to expand to bigger cities such as Los Angeles or San Francisco.
